AGENDA ADDITIONS

11-27-18-01 Moved by B.Duffala that the agenda additions be approved
as presented CARRIED

MPE 2018 PROJECT

K.Wiley explained the deficiencies is in the paving not the compaction, the intersections are ok. Brooks Asphalt says that the tonnage is there.
MPE had previously recommended to Council to do an Overlay. There would be extra joins, bonding, good for 25-30 years.

M.Steffler lists options for Council to consider as per contract

1. Reject (ripe out and replace)
2. Accept with Penalty
3. 30ml overlay Negotiate 2yr warranty to 10yr.

Paving on the East side of town cost \$192,000.00

MPE will send letter to Brooks Asphalt and let them know that the recommendation of an asphalt overlay to compensate for insufficient thickness has not been accepted by Council, that Council is disappointed with the end product but expressed their satisfaction with workmanship excluding the asphalt. Council requests that Brooks Asphalt provide a solution and make an offer on how to rectify for the asphalt deficiency.

CURB STOP

WRC questions who will pay the invoice for the curb stop repair on Christian Ave. As per the Village bylaw the homeowner is Responsible for any expenses to the main.

SHUT OFF CHARGE

Residences or Business wishing to turn off their curb stop will still pay the minimum billing for water, sewer and garbage services.

ADJOURN

11-27-18-02 Moved by A.Larsen that the meeting adjourn at 8:45pm
